## 2022 Single-Vineyard Sauvignon Blanc

**Aroma:** Classic sauvignon blanc aromas with appetizing tropical fruit and minerality. A delightfully fragrant and complex bouquet.

**Palate:** Bright, juicy, and elegant with refined acidity and ripe flavors. Good concentration and length on the palate, excellent structure, and a well-balanced finish.

### Winemaker's Comments:

Marlborough's vintage size was back to normal after a smaller harvest last year. Our vineyard location in the Lower Wairau allowed for later ripening that benefitted from stunning late harvest weather, escaping the botrytis that impacted some vineyards. Our single-vineyard sourcing gives Ten Sisters a rare purity of flavors. Our grapes were quickly processed to retain the freshness and flavor for which Marlborough Sauvignon Blanc is renowned. The wine was fermented in stainless steel tanks and left on the lees for three months prior to bottling.
